Virtual Educational Poster Session: Uniting to Protect the Public Health

June 16, 2020
1:00-2:30 PM CDT

Activity Overview

This is session one of a two-part webinar series. It provides an opportunity to interact virtually with presenters and an opportunity to earn continuing pharmacy education credit. Board of pharmacy and school and college of pharmacy representatives will present various poster displays related to working together to educate on pharmacy practices in furtherance of protecting the public health.

Universal Activity Numbers	0205-0000-20-001-L04-P 0205-0000-20-001-L04-T
Activity Date	16-Jun-20
Activity Type	Knowledge-based
CE Credits	1.5 contact hours (0.15 CEU)
Activity Fee	No Fee

Target Audience

This activity was designed to meet the educational needs of pharmacists, pharmacy technicians, and pharmacy students in all practice settings.

Learning Objectives

At the conclusion of this webinar, participants will be able to:

1. Describe several novel pharmacy practices that boards of pharmacy and schools and colleges of pharmacy have implemented to further educate and protect public health.

2. Explain several ways that teamwork in pharmacy innovation and education can increase public protection.

CPE Requirements

To earn ACPE-accredited CPE for this activity, participants must:

- be registered as an attendee,
- attend the activity in its entirety,
- answer the self-assessment questions provided by the presenter, and
- submit the activity code online using the NABP CPE submission site located at <https://nabp.pharmacy/claimcpe>.

To obtain CPE credit, participants must also complete activity and speaker evaluations.

All CPE submissions for the live session must be submitted online within 60 days from the webinar (no later than 12 PM on August 15, 2020).
