Performance Results by Competency Area

The results shown for each competency area below may be useful in future efforts to prepare for the NAPLEX®.

Your performance by section is represented by one of four achievement levels:

Level 1: Performance is **far below meeting the minimum performance** necessary to demonstrate competency.

Level 2: Performance **does NOT meet the minimum performance** necessary to demonstrate competency.

Level 3: Performance **meets the minimum performance** necessary to demonstrate competency.

Level 4: Performance **exceeds the minimum performance** necessary to demonstrate competency.

Competency Areas (Approximate Percent of Exam)	Level 1	Level 2	Level 3	Level 4
Obtain, Interpret, or Assess Data, Medical, or Patient Information (18%)		X		
Identify Drug Characteristics (14%)	X			
Develop or Manage Treatment Plans (35%)		X		
Perform Calculations (14%)				X
Compound, Dispense, or Administer Drugs, or Manage Delivery Systems (11%)		X		
Develop or Manage Practice or Medication-Use Systems to Ensure Safety and Quality (7%)				X

Classifications of performance in each competency area are provided as descriptive feedback only. Overall pass or fail decisions are based on your total score, while competency area scores are based on your performance on items in the specific competency area. These results are a reliable reflection of your expected performance until you gain further competence. You may consider contacting your pharmacy school to request assistance.
