Classifications of performance in each competency area are provided as descriptive feedback only. Overall pass or fail decisions are based on your total score, while competency area scores are based on your performance on items in the specific competency area. These results are a reliable indicator of your expected performance until you gain further competence. You may consider contacting your pharmacy school to request assistance. For further details on topics covered in each of the Competency Areas, please refer to https://www.nabp.org/About/NAPLEX/CompetencyAreas/.
