

STEPS TO APPLY NAPLEX & MPJE

Taking the NAPLEX or MPJE is an important step toward earning a pharmacist license. **Ready to test?** Make sure to read the *Candidate Application Bulletin*.

Then, follow the steps below.

Receive your ATT.

4

Schedule your exam with Pearson VUE.

Purchase the exam. You may purchase NAPLEX score transfers now, or you may wait and purchase up to 89 days after the exam date.

3

Receive approval of eligibility.

Send final transcripts (with conferral dates) to NABP if you have never taken the NAPLEX, submitted a transcript to NABP, or are not licensed in the US.

2

Determine licensure requirements and confirm them on the board of pharmacy website.

1

Apply for NAPLEX or MPJE eligibility and pay application fee.

ADA accommodation requests are submitted as part of the application.
