## CPE Activity Information

### Biosimilar and Interchangeable Products: What Do Pharmacists Need to Know?

#### Activity Overview

---

This webinar will provide an overview of the scientific concepts for biological products and the scientific and regulatory basis for the biosimilar pathway. Presenters from Food and Drug Administration (FDA) will discuss updates about important and timely issues related to biosimilar and interchangeable products for pharmacists. In addition, the presenters will

1. Review practical information regarding the use of these products, such as labeling and pharmacy substitution.
2. Demonstrate the functionality of the enhanced Purple Book resource that is available to health care professionals.
3. Provide resources to help pharmacists educate patients about biosimilar and interchangeable products.

This home study webinar is a recording of the live activity that was held on July 29, 2021.

<b>Universal Activity Numbers</b>	0205-0000-21-058-H04-P 0205-0000-21-058-H04-T
<b>Activity Date</b>	23-Aug-21 through 22-Aug-22
<b>Activity Type</b>	Knowledge-based
<b>CE Credits</b>	1 contact hour (0.1 CEU)
<b>Activity Fee</b>	No Fee

#### Target Audience

---

This activity was designed to meet the educational needs of pharmacists and pharmacy technicians in all practice settings.

## Learning Objectives

---

At the conclusion of this webinar, participants will be able to:

1. Describe how biologics differ from small molecules (size, complexity, manufacturing).
2. Explain why most biologics cannot be copied exactly.
3. Compare and contrast the development, statutory requirements, and approval process for new biologics and for biosimilar and interchangeable products.
4. Review the use of biosimilar and interchangeable products in practice.
5. Describe and explain the resources available for health care providers to learn more about biosimilar and interchangeable products through the enhanced Purple Book and other FDA educational resources.

## CPE Requirements

---

To earn ACPE-accredited CPE for this activity, participants must:

- be registered as an attendee,
- submit the activity code online using the NABP CPE submission site located at <https://nabp.pharmacy/claimcpe>,
- complete the activity in its entirety,
- answer the self-assessment questions at the beginning of the webinar, and
- review the activity handouts.

To obtain CPE credit, participants must also complete activity and speaker evaluations as well as pass the post-test with a score of 70% or higher within three attempts.

All home study CPE submissions must be completed online within 60 days from the date the activity code is submitted online.

## Presenters

---

**Sarah Yim, MD**, Director of the Office of Therapeutic Biologics and Biosimilars, Food and Drug Administration

**Sarah Ikenberry, MA**, Senior Communication Advisor for the Office of Therapeutic Biologics and Biosimilars, Food and Drug Administration

## Home Study

---

Fill out the form located at [www.nabp.pharmacy/home-study](http://www.nabp.pharmacy/home-study) to receive instructions on how to complete the home study for this webinar.

## Additional CPE Information

---

Contact NABP Professional Affairs staff at [prof-affairs@nabp.pharmacy](mailto:prof-affairs@nabp.pharmacy) for information about CPE activities and instructions.

NABP and the NABP Foundation are accredited by the Accreditation Council for Pharmacy Education (ACPE) as providers of continuing pharmacy education (CPE).

ACPE Provider Number: 0205.

### **System Requirements**

---

You will need a computer with high-speed internet access to view our screens and audio capabilities, via computer or phone, to hear the webinar. Browser requirements are as follows: Firefox (9.0+), Adobe Flash Player (10.3+), Google Chrome, and Safari (5.0+).
