## CPE Activity Information

### Understanding New DSCSA Requirements and Common Diversion Schemes

#### Activity Overview

---

This webinar will discuss the timeline for the implementation of the Drug Supply Chain Security Act (DSCSA) requirements and how regulations will be impacted. Review findings from NABP's [Drug Distributor Accreditation](#) and [OTC Medical Device Distributor Accreditation](#) programs, including instances of counterfeit drugs and distribution inconsistencies in the supply chain.

NABP's accreditation programs play a pivotal role in preventing counterfeit drugs and devices from entering the United States drug supply. You will gain the information needed to avoid drug shortage diversion schemes and learn how NABP accreditation and inspection programs protect the public health.

This home study webinar is a recording of the live activity that was held on March 11, 2022.
