CPE Activity Information

Compounding From BDS: Understanding FDA's Final Guidance

Activity Overview

This presentation is an overview of FDA's Guidance for Industry #256, "Compounding Animal Drugs from Bulk Drug Substances." The guidance is intended for veterinarians, state-licensed pharmacies, and federal facilities interested in compounding animal drugs from bulk drug substances for use in nonfood-producing animals, as antidotes in food-producing animals, or as sedatives or anesthetics in free-ranging wildlife under limited circumstances when no other medically appropriate treatment options exist.

This home study webinar is a recording of the live activity that was held on April 12, 2023.

Universal Activity Numbers	0205-0000-23-030-H07-P 0205-0000-23-030-H07-T
Activity Date	29-May-23 through 28-Mar-26
Activity Type	Knowledge-based
CE Credits	1 contact hour (0.1 CEU)
Activity Fee	No Fee

Target Audience

This activity was designed to meet the educational needs of pharmacists and pharmacy technicians in all practice settings.

Learning Objectives

At the conclusion of this webinar, participants will be able to:

1. Describe FDA's enforcement priorities for compounding animal drugs from bulk drug substances at state-licensed pharmacies.

2. Explain the circumstances in which FDA intends to provide enforcement discretion of animal drug compounding as outlined in Guidance for Industry (GFI) #256.
3. Identify and discuss the circumstances under which FDA intends to provide enforcement discretion for patient-specific prescriptions as addressed in GFI #256.
4. Identify and describe the circumstances under which FDA intends to provide enforcement discretion for office stock for nonfood-producing animals, antidotes for food producing animals, and sedatives/anesthetics for free-ranging wildlife as addressed in GFI #256.

CPE Requirements

To earn ACPE-accredited CPE for this activity, participants must:

- be registered as an attendee,
- submit the activity code online using the NABP CPE submission site located at <https://nabp.pharmacy/claimcpe>,
- complete the activity in its entirety,
- answer the self-assessment questions at the beginning of the webinar, and
- review the activity handouts.

To obtain CPE credit, participants must also complete activity and speaker evaluations as well as pass the post-test with a score of 70% or higher within three attempts.

All home study CPE submissions must be completed online within 60 days from the date the activity code is submitted online.

Presenters

Amber McCoig, DVM, MPH, Senior Veterinary Medical Officer, US FDA Center for Veterinary Medicine

Neal Bataller, ME, DVM, Director, Division of Drug Compliance, US FDA Center for Veterinary Medicine

Home Study

Fill out the form located at www.nabp.pharmacy/home-study to receive instructions on how to complete the home study for this webinar.
