## CPE Activity Information

### NCC MERP: Pharmacist Tools to Support Patient Safety

#### Activity Overview

---

During this home study, participants will learn about the National Coordinating Council for Medication Error Reporting and Prevention (NCC MERP) and its efforts to continually promote medication safety. The presenter discusses NCC MERP's ongoing generation of practical and timely solutions designed to reduce and/or prevent medication errors in addition to innovative programs for pharmacists that can improve error reporting. Participants will gain deeper insight about NCC MERP resources that can be utilized to support patient and prescription drug safety.

This home study webinar is a recording of the live activity that was held on December 14, 2022.
