CPE Activity Information

Exploring Medication Safety: New ISMP Best Practices for Community Pharmacy

Activity Overview

During this webinar, participants will learn about ISMP's new 2023-2024 *Targeted Medication Safety Best Practices for Community Pharmacy* and why they were selected for national action. The goal of these best practices is to inspire and mobilize board members, board staff, and practitioners from around the United States in the national adoption of specific consensus-based safe practices selected to prevent repetitive medication safety issues in community pharmacies that continue to cause harmful or fatal errors to patients.

This home study webinar is a recording of the live activity that was held on July 19, 2023.

Activity Topic	Pharmacy Administration
Universal Activity Numbers	0205-0000-23-042-H05-P 0205-0000-23-042-H05-T
Activity Date	2-Aug-23 through 1-Jun-26
Activity Type	Knowledge-based
CE Credits	1 contact hour (0.1 CEU)
Activity Fee	\$20

Target Audience

This activity was designed to meet the educational needs of pharmacists and pharmacy technicians in all practice settings.

Learning Objectives

At the conclusion of this webinar, participants will be able to:

1. Cite the five new best practices from the ISMP *Targeted Medication Safety Best Practices for Community Pharmacy*.
2. Describe the medication errors that each of these new best practices were designed to prevent.
3. Describe the recommended strategies related to the ISMP *Targeted Medication Safety Best Practices for Community Pharmacy*.

CPE Requirements

To earn ACPE-accredited CPE for this activity, participants must:

- be registered as an attendee,
- submit the activity code online using the NABP CPE submission site located at <https://nabp.pharmacy/claimcpe>,
- complete the activity in its entirety,
- answer the self-assessment questions at the beginning of the webinar, and
- review the activity handouts.

To obtain CPE credit, participants must also complete activity and speaker evaluations as well as pass the post-test with a score of 70% or higher.

All home study CPE submissions must be completed online within 60 days from the date the activity code is submitted online.

Presenter

Michael J. Gaunt, PharmD, Senior Manager, Error Reporting Programs, Institute for Safe Medication Practices
