Live Webinar

Understanding OUD, Its Treatment, and Related Stigmas

January 18, 2024
1:00-2:00 PM CT

Activity Overview

During this webinar, participants will learn about buprenorphine as a treatment option for dependence on opioids or other substances. The presenters will discuss the effects of the opioid epidemic on child safety and welfare, including how it can be a cause for the increase in removal of children from their parents' homes and placement into foster care. This session will also explore stigma as it relates to opioid use disorder and its treatment with medication.
