Board of Pharmacy Action Decision Tree - A “Just” Approach to Discipline

Activity Overview

Pursuant to a recommendation by the Task Force to Review Unprofessional Conduct and Disciplinary Actions, NABP developed a Board of Pharmacy Action Decision Tree to assist boards of pharmacy with evaluating quality-related events involving licensed pharmacy personnel or pharmacy permit holders. Participants will learn how to utilize this newly developed tool by reviewing various scenarios presented by board executive officers to determine whether licensee conduct is disciplinable and, if so, what type of discipline is appropriate for the situation at hand. You will hear robust discussion about the circumstances presented.

This home study webinar is a recording of the live activity that was held on May 14, 2025.
