## HOME STUDY

### Medication Safety: Targeting Best Practices for Community Pharmacy

#### Activity Overview

---

During this webinar, participants will learn about the Institute for Safe Medication Practices' (ISMP's) Targeted Medication Safety Best Practices for Community Pharmacy, including the new best practices added for 2025-2026 and why these were selected for national action. The best practices are intended to inspire and potentially mobilize board members, board staff, and practitioners from around the United States in the adoption of specific consensus-based safe practices nationwide. These practices were selected to reduce or eliminate repetitive medication safety issues in community pharmacies that continue to cause harmful or fatal errors to patients.

This home study webinar is a recording of the live activity that was held on July 23, 2025.

<b>Activity Topic</b>	Patient Safety
<b>Activity Format</b>	Home Study
<b>Universal Activity Numbers</b>	0205-0000-25-052-H05-P 0205-0000-25-052-H05-T
<b>Activity Date</b>	27-Aug-25 through 26-Jun-28
<b>Activity Type</b>	Knowledge-based
<b>CE Credits</b>	1 contact hour (0.1 CEU)
<b>Activity Fee</b>	\$20

## Target Audience

---

This activity was designed to meet the educational needs of pharmacists and pharmacy technicians in all practice settings.

## Learning Objectives

---

At the conclusion of this webinar, participants will be able to:

1. Cite the Institute for Safe Medication Practices (ISMP) Targeted Medication Safety Best Practices for Community Pharmacy.
2. Describe the medication errors that each of the best practices was designed to prevent.
3. Describe recommended strategies related to ISMP Targeted Medication Safety Best Practices for Community Pharmacy.

## CPE Requirements

---

To earn Accreditation Council for Pharmacy Education (ACPE) accredited CPE for this activity, participants must:

- be registered as an attendee,
- submit the activity code online using the NABP CPE submission site located at <https://nabp.pharmacy/claimcpe>,
- complete the activity in its entirety,
- answer the self-assessment questions at the beginning of the webinar, and
- review the activity handouts.

To obtain CPE credit, participants must also complete activity and speaker evaluations as well as pass the post-test with a score of 70% or higher.

All home study CPE submissions must be completed online within 60 days from the date you opened the activity.

## Presenter

---

**Michael J. Gaunt, PharmD**, Senior Manager, Error Reporting Programs, Institute for Safe Medication Practices

## Home Study

---

Log in to [NABP e-Profile](#) to purchase the home study activity. Instructions on how to complete the home study for this webinar will be sent via email.

## Additional CPE Information

---

Contact NABP staff at [CPE@nabp.pharmacy](mailto:CPE@nabp.pharmacy) for information about CPE activities and instructions.

NABP and the NABP Foundation are accredited by the ACPE as providers of continuing pharmacy education (CPE).

ACPE Provider Number: 0205.

## System Requirements

---

You will need a computer with high-speed internet access to view our screens and audio capabilities, via computer or phone, to hear the webinar. Browser requirements are as follows: Firefox (9.0+), Adobe Flash Player (10.3+), Google Chrome, and Safari (5.0+).
