

# NABP-Approved Sterile Compounding Inspector Training Programs

## KPIC

The University of South Carolina College of Pharmacy, KPIC offers an 18-hour advanced training program designed to equip inspectors, accreditors, and surveyors with the essential knowledge and skills required to assess and ensure compliance within sterile compounding areas. Participants will gain a deep understanding of industry standards, regulations, and best practices for assessing compliance with United States Pharmacopeia (USP) Chapters <797> and <800>.

### Course Dates:

- Thursday, November 6-Friday, November 7, 2025
- Tuesday, March 10-Wednesday, March 11, 2026
- Tuesday, July 21-Wednesday, July 22, 2026

Location: The 14.5 hour in-person training will be at the Aseptic Compounding Experience Lab located at the University of South Carolina.

Cost: The on-site training cost is \$1,400, which includes breakfast, lunch, training materials, and parking.

## Pure Microbiology

Beyond the Checklist: Mastering USP <797> & <800> Compliance for Inspectors is an immersive 3.5-day in-person training designed to enhance inspectors' understanding of sterile and hazardous drug compounding compliance. This program combines engaging lectures and hands-on, skill-building activities with 2.5 days dedicated to USP <797> and 1 day focused on USP <800>. For additional information, visit <https://www.puremicrobiology.com/inspector-training/>.

### Course Dates:

- TBD
- Training class recently held in September 15-18, 2025

### Location:

Bethlehem, PA

Cost: The course registration is \$1,200 per person.
