Performance Results by Content Domain

The results shown for each content domain below may be useful in future efforts to prepare for the UMPJE™.

Your performance by content domain is represented by one of four achievement levels:

Level 1: Performance is **far below meeting the minimum performance** necessary to demonstrate competency.
Level 2: Performance **does NOT meet the minimum performance** necessary to demonstrate competency.
Level 3: Performance **meets the minimum performance** necessary to demonstrate competency.
Level 4: Performance **exceeds the minimum performance** necessary to demonstrate competency.

Content Domain (Approximate Percent of Exam)	Level 1	Level 2	Level 3	Level 4
Pharmacy and Pharmacist Practice (30%)			X	
Medication Use Process (Prescribing, Transcribing and Documenting, Dispensing, Administering, and Monitoring) (30%)		X		
Regulatory Authority and Legal Obligations (20%)	X			
Pharmacy Operations (20%)		X		

Classifications of performance in each content domain are provided as descriptive feedback only. Overall pass or fail decisions are based on your total score, while content domain scores are based on your performance on items in the specific content domain. These results are a reliable reflection of your expected performance until you gain further competence. You may consider contacting your pharmacy school to request assistance. For further details on topics covered in each of the content domains, please refer to https://nabp.pharmacy/wp-content/uploads/Uniform-MPJE-Content-Outline.pdf.
